The 1988 edition of the St. John's Yearbook not only chronicles the many academic, athletic, and social achievements of the '87-'88 school year; it also highlights and pays tribute to a truly exceptional group of young men — the 278 graduates who comprise the Class of 1988. The remarkable spirit, enthusiasm, generosity, and loyalty that marked this class as special since its freshmen year have grown and thrived — culminating in the outstanding support given to the Big Brother program that was initiated this past September. It is our hope that the pages of this yearbook capture this unique spirit of the Class of 1988.

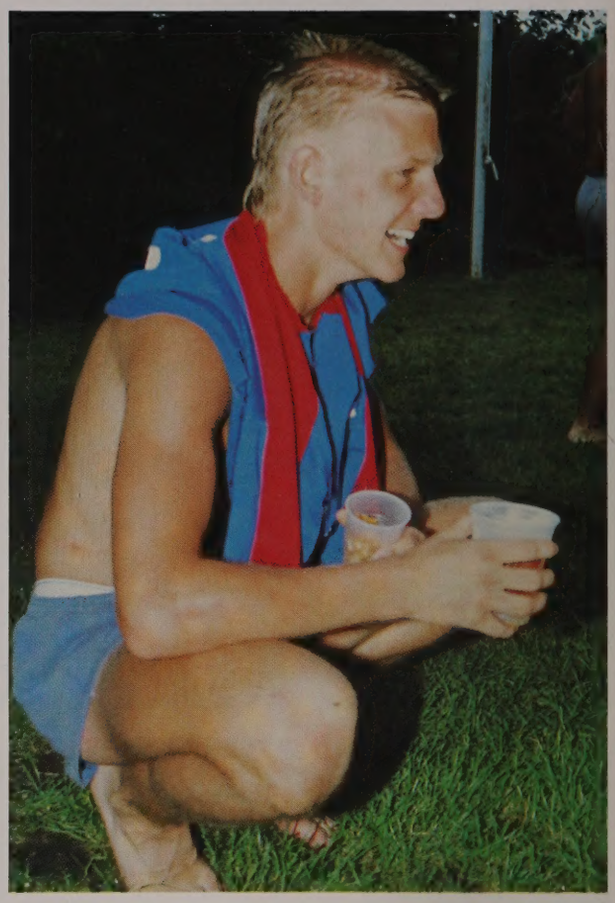
LEADERSHIP INSTITUTE



In mid-August, members of the Class of 1988 were invited to participate in a three-day leadership program at Barlin Acres. The purpose of the Leadership Institute is to build senior community, promote school spirit, and to prepare students to responsibly assume leadership positions in athletics, student government, school clubs, and peer ministry.

Brother Raymond Hoyt, C.F.X., Director of Campus Ministry at Xavier High School in Middletown, Connecticut, was the keynote speaker. Michael Pratt, David Tozeski, Michael Turpin, and Mark Smith, graduates of the Class of '87, directed community building activities and informal discussions. Members of the faculty and administration participated in Leadership Workshops.

In evaluating the reasons behind the great success of the Summer Leadership Institute, the seniors were unanimous in stating that it was the unique opportunity it offered to grow as a community. Whether it was through a heated volleyball game, the personal sharing of a diadic encounter, laughing at skits on school life, or simply sharing a meal together, the bonds of friendship formed during those three days remain strong. In learning to support and empower one another, they found the key to effective leadership.

BIG BROTHER PROGRAM

In order to help the incoming class of 1991 make the transition from grade school to high school, the Student Activities Council devoted much of the summer of '87 in planning for the initiation of the first "Big Brother" program at St. John's. More than 125 senior members of the Class of 1988 volunteered to participate in the program. This meant that each senior was assigned three "little brother" freshmen whom he would introduce to the school life of SJ. Activities included a "Big Brother" day on the first Friday of the school year, a Big Brother — Little Brother gym night, and joint attendance at the opening football game and Mass of the Holy Spirit. This successful program will become a mainstay for each succeeding freshmen class.

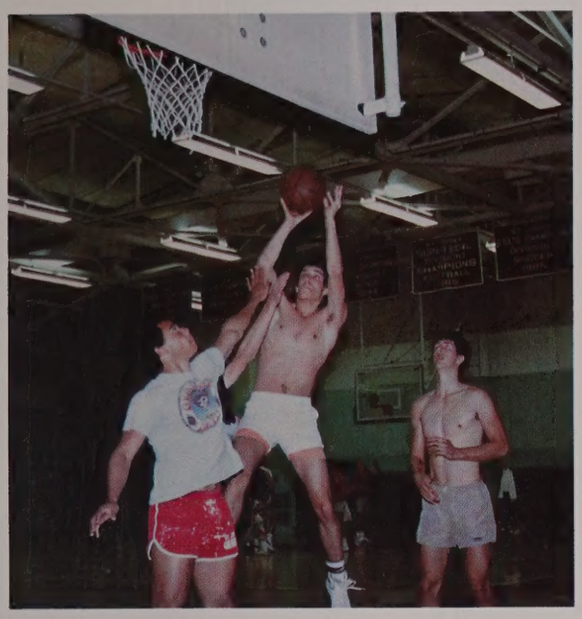
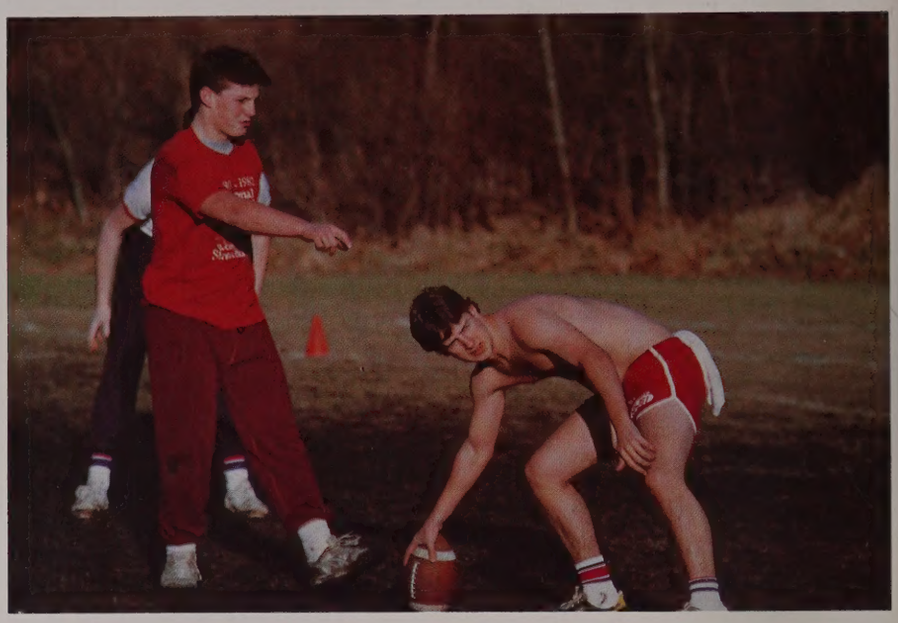
SENIOR INTRAMURALS





Pictured on these pages are some of the exciting highlights of the 1987-88 senior intramural program, consisting of basketball, flag football, and volleyball (The volleyball games were played after the yearbook color photo deadline). Mr. Novick's senior homeroom 204 emerged as the victor of the basketball championship. All senior homerooms were represented with a full turnout each evening. The flag football games were played in the afternoons, and this year the seniors lost the coveted championship to a junior team. Special thanks to senior moderators Mr. Paul Jourcin, Mr. Leo Hamelin, Mr. Michael Lahey, and Mr. William White, phys. ed. teachers Mr. Pat White and Mr. John Loftus, and referees Br. Stephen Comeau, Mr. William Prendiville, and senior Mark Monopoli.

AUCTION '88

On Saturday evening, November 7th, the St. John's Gym was transformed into the site of the "greatest show on earth," the circus big top, for the annual St. John's Auction. Led by ringmaster Brother Fahey and the ladies of the Mothers' Guild, the circus parade made its entrance at 7:30, and a night of three-ring activity began. For almost a year, the Mothers' Guild officers and membership worked tirelessly to make this annual activity a huge success. A colorful and enjoyable evening was had by all in attendance.

BLOOD DRIVE

During the months of November and April, the Student Activities Council sponsored two successful blood drives in conjunction with the Worcester Chapter of the American Red Cross. More than 60 juniors and seniors gave in the school library in November — a school record. The number of donors was limited to 50 during the April drive. The pictures on these pages chart the entire process: preparation, giving, and recuperation!

S.A.C., '87-'88

Guided by moderators Mr. John Deedy and Mr. Jay Coggins, the 1987-88 Student Activities Council embarked on an ambitious program of school-related activities and events. The Big Brother program, a suggestion that dated back a number of years, was put into execution by the '87 Council and marked the first in a long series of successfully-sponsored SAC programs. Blood drives, clothing and food drives, several dances, including the popular lip-sync contest, were all capably guided by the responsible hands of the SAC membership. The entire student body owes a debt of gratitude for the hard work and dedication of the '87-'88 SAC.

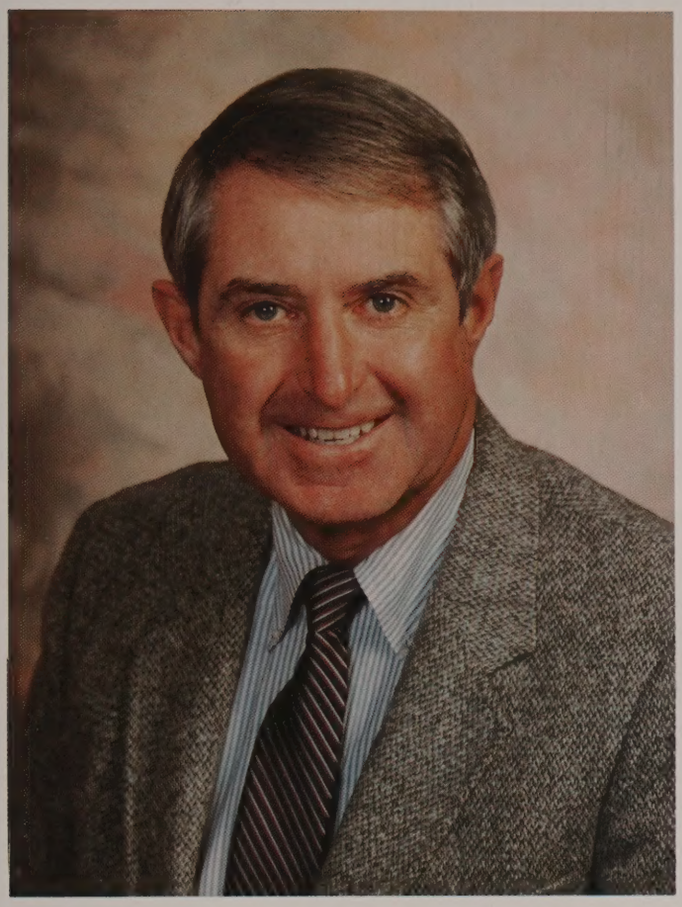
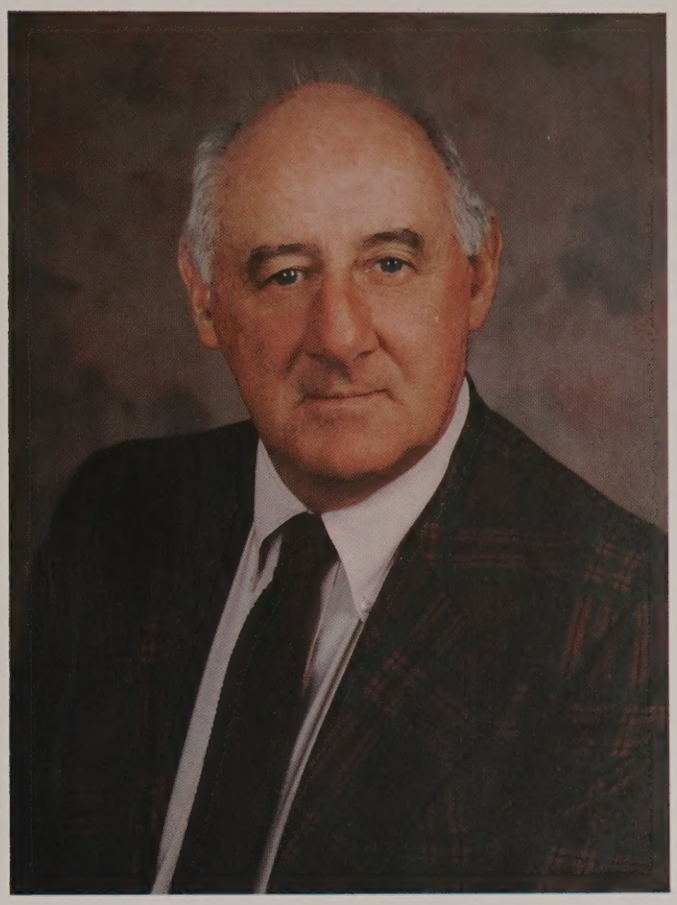
DEDICATION



Mr. Joseph Lane



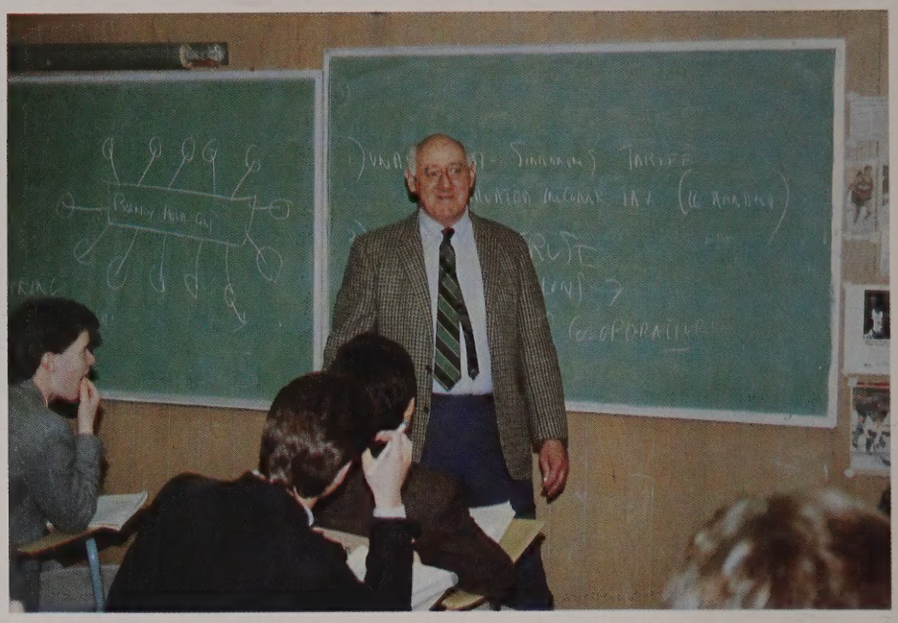
Mr. John Case

In the fall of 1987, **Mr. Joseph Lane** marked the beginning of his twenty-fifth year of devoted service to St. John's High School. Perhaps no other member of the faculty is more synonymous with the name St. John's than Joe Lane. As Director of Physical Education at the school from 1962 to 1981, he came in contact with every student on every grade level. The contacts and friendships formed here, as well as those made during his tenure as varsity basketball coach from 1962 throught 1971, would serve him well in the capacity of Director of Alumni Relations, a post to which he was appointed in 1981 by Brother Conal. What a vast network of bonding Joe has created between alumni and their alma mater! The success of the alumni reunions held at the Manor House and the tremendous response to the annual alumni phone-a-thon fund raiser are a tribute to the dedication and enthusiasm of this loyal son of St. John's.

The Yearbook Staff is also happy to honor another outstanding faculty member, **Mr. John "Ace" Case,** who concluded twenty-five years of coaching athletics at the school in 1987. For twenty-two of those years, Mr. Case was the varsity baseball coach. During those years, his teams compiled a 278-167 overall record, won the Division 1 State Championship in 1976, and produced such players as Ron Darling of the New York Mets, and minor leaguers Steve Bieksha, Jim Bisceglia, John Sanderski, and Scott Powers. In addition to his successes on the baseball diamond, Mr. Case has enjoyed a long and fruitful teaching career as a member of the Social Studies department at St. John's.

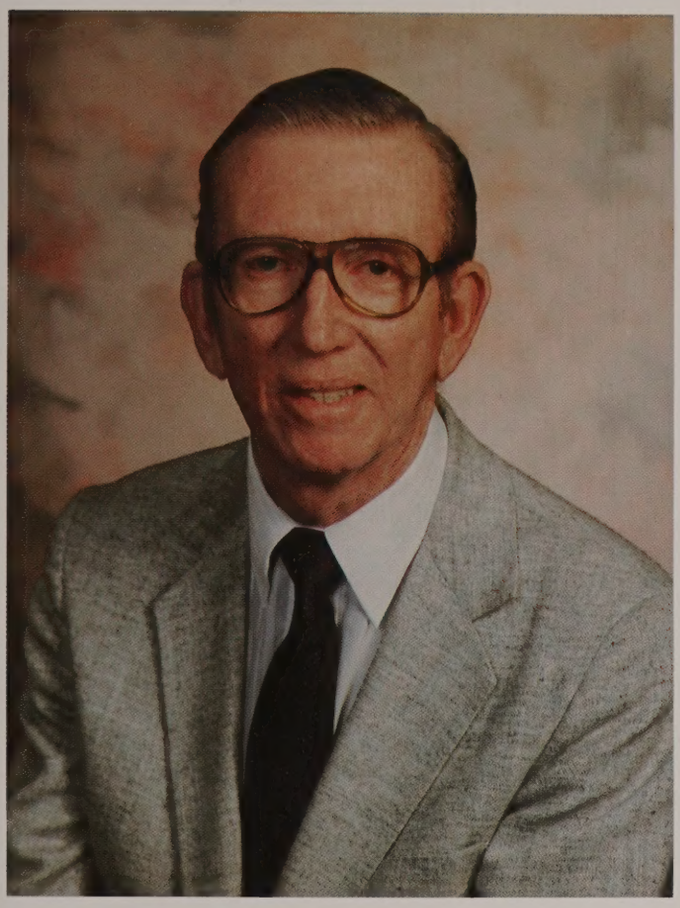
The Yearbook Staff, along with the entire staff and student body at St. John's, salutes the achievements of these two men by dedicating the 1988 yearbook to them. May their association with St. John's, which collectively amounts to a half-century, continue for years to come.

Right: Brother Conal congratulates Mr. Lane at the faculty reception commemorating his twenty-five years of service and dedication to St. John's High School.
Below: Brother Conal presents Mr. Case with a commemorative plaque on the occasion of his retirement as varsity baseball coach. "Ace's" varsity teams compiled a 278-167 record during the twenty-two years of Mr. Case's tenure as coach.



Middle Right: The Underwood- Simmons Tariff and the Clayton Anti-Trust Act are the topics of discussion during a junior American History class conducted by Mr. Case. The legendary "Case handwriting" is evident on the blackboard.
Right: Mr. Lane, seated at this desk in the Manor House Alumni Office, personally signs the thank-you notes for all the St. John's graduates who generously responded to the annual phone-a-thon fund raiser.

IN MEMORIAM



Mr. Robert Brady

Brother Peter Julian, C.F.X.

On the morning of November 9th, the St. John's Community gathered at Holy Name Church to bid farewell to **Mr. Robert Brady,** esteemed colleague, musician, and friend. Bob joined the teaching staff at St. John's in 1977. After a brief stay in the classroom, he moved into the Guidance Office where he counselled underclassmen until his demise.

Bob's association with the Spring Show was of longer duration. He played the original show, T.T.O., and the next twenty shows. Because of his talent and longevity, much praise is due him.

Most noteworthy is that he was gently persuasive and inspirational and led so many students to find gratification which necessarily results when people come together to produce something good. Brother Comeau aptly described Bob's musical talent as boundless. Special occasions such as graduation where he played the entrance march or spring show where as a pianist he entertained and inspired will certainly heighten his absence. Fortunately, Bob's legacy will remain with St. John's for many years.

Three weeks before Bob Brady's death, **Brother Peter Julian,** a member of the Xaverian Brothers community, passed away at the age of eighty, after having spent sixty-three years in religious life. Most of those very active years were spent on the staff of various orphanages and working boys' homes conducted by the Brothers in Baltimore (St. Mary's Industrial School), Detroit (the CYO Home for Boys), and the Working Boys' Home in Newton Highlands, MA. Brother Peter spent a total of nineteen years in Shrewsbury (1961-1972 and 1979-1987) where he labored on the grounds crew in both hot weather and cold. A series of debilitating strokes curtailed his activity, and a final one ended his life on October 20, 1987. **MAY THE SOULS OF BOTH OF THESE FINE MEN REST IN PEACE.**

The St. John's Debate Team — Voted best new Debate Program in the State.

YEARBOOK, '88

The 1988 edition of the St. John's Yearbook holds the distinction of being the largest yearbook in the school's history; it totals 280 pages, an increase of more than 70 pages from last year. The color section has almost doubled in size. The popular senior candid section has been expanded, and the staff can boast that all school events are fully covered within the pages of this volume.

Under the guidance of moderators Brother Thomas Ryan and Mr. Brian Murphy, senior editor Alex McLean and junior editor Tom McGuirk worked with a small but dedicated staff to produce this quality book. Members of the lay-out staff included juniors Jerry Azzarone, John Flaherty, Ray Pescaro, and Ben O'Meara; and sophomores Jason Hinkle, Mike Starr, Silvio Menzano, Sean McGrath and Jeff Zack. Photographers included seniors John Giordano, Erik Butzke, Mark McManus, Jonathan Budzyna; juniors Joe Hamel, Chris Donabedian, Mike McCarthy and Steve Sacco; sophomore Jason Johnson; and freshmen Robert Capalbo and Matt Kojalo. The staff wishes to thank the more than 600 students and faculty members who supported the '88 sales campaign.

MODEL U.N.

The St. John's Model United Nations again expanded its schedule of events for the 1987-88 academic year. A new regional conference, held at Bridgewater-Raynham High School in March, supplied another opportunity for the organization to compete with representatives of other schools. The St. John's Model UN members also participated in the December Harvard Model United Nations and the February Georgetown International Relations Association simulations, and conducted their own Conference at St. John's for the second consecutive year.

Officers for the Organization for 1987-88 included Secretary-General Chris Taranto and Parliamentarian Andy Olmsted, who also formed the Security Council delegation to the two National Conferences; and Chef du Cabinet Matt Pagano and Assistant Secretary-General Kevin Flynn, who were responsible for much of the planning which went into SJMUN 1988. These seniors will be missed.

The 1987-88 academic year saw a change in the conduct of weekly meetings, which were constructed around Security Council or small General Assembly Committees, and a change in the numbers of underclassmen participating in Model UN. For the first time in recent memory, underclassmen clearly outnumbered upperclassmen in the UN, suggesting very strong SJ performances at future National and Regional events, as this experience is employed in competitive situations.

THE FRONTIER

The Saint John's school newspaper, **The Frontier,** aims to provide school news, features, and opinion articles for the entire St. John's family. It is published four times a year under the auspices of moderators Mr. Patrick Gillis and Mr. Jim Curran, a senior editorial staff, and a dedicated and loyal staff of underclassmen.

A typical edition of The Frontier includes feature articles on various items of interest to the school community (The Big Brother Program, clubs and activities, new teachers, senior spotlights), editorial and student opinions and comments (Dukakis in 88?, SAT exams, Pro-Wrestling), music, movie, and video reviews, and articles on the sports programs and triumphs. Each year sees an improvement in quality and content. The 1987-88 editions of The Pioneer were published under the auspices of senior editors Dennis Gallagher, Kevin Kraus, John Erickson, Dan Donovan, and John Byon.

GREAT EXPECTATIONS

Returning to Charles Dickens, the author of our successful 1984-85 production, Nicholas Nickleby, the St. John's Drama Club in November of 1987 produced a theatrical version of Dickens' late-period autobiographical masterpiece, Great Expectations. A cast of nineteen played forty-eight roles on a set composed of "found" platforms and piping created by Paul Hinkle, Joe Hamel, and crew. Andy Brown, Chad Wagner, Chris Kazlauskas, and Jay Benotti handled lighting design, and junior Matt Kusza was property master. Leading the actors were freshman Mark Kontulis and junior Mahno Bardanis as, respectively, the young and the mature Pip, who is accosted by a murderer (Mike Sienkiewicz) in the play's first scene. Later, the criminal secretly bankrolls Pip into an 1840's London gentleman's extravagant lifestyle, though Pip always assumes the source of his money is the eccentric abandoned bride of his childhood town, Miss Havisham (in a full-out performance by Chris Baron of St. Mary's High).

Our Great Expectations also featured exciting fog and strobe effects, $700 worth of rented professional costumes, and an emotion-enhancing original musical score played live on piano and synthesizer by its composer, junior Rowland Hoyt. Large audiences on both nights applauded our recreations of this bittersweet Victorian tale.

Great Expectations was produced by Mrs. Fredette and directed by Mr. Dolan.

THE SLAB BOYS

In February 1988, the Drama Club produced both full-length and 40-minute versions of the British comedy-drama The Slab Boys. In the New York production of the early 80's, this slice-of-life picture of late adolescent British youths working in the dye room of a carpet factory starred young actors Kevin Bacon, Sean Penn, and Val Kilmer. Here, the roles of Phil McCann, art student manqúe, and his dye room buddy Spanky were energetically played by seniors Rick Homan and Tim Monahan. Phil and Spanky torture their nerd-like co-worker Hector (junior Mahno Bardanis) and compete for the affections of "every Slab boy's dream," the blowsy Lucille (Jen Mason). Also part of this one workday Friday in February, 1957, are Phil and Spanky's superiors from upstairs, WWII veteran Willie Curry (Eric Pantano) and the finicky Jack Hoggs (Mark Hakala), as well as the new boy Alan Downie (Dave Bombard) and the worn-out tea lady Sadie (Megan O'Sullivan).

Our tight cast of eight performed before a gloriously ugly, grimy, realistic set created once again by Paul Hinkle, Joe Hamel, and a host of helpful set persons. Taking Slab Boys on the road in the 1988 Boston Globe State High School Drama Competition, St. John's won the first round at Ludlow, with Messrs. Homan and Bardanis winning acting awards. At the Semi-finals in Brockton, St. John's was not quite so successful, yet Rick Homan (again), Tim Monahan, and Mark Hakala became members of the All-Star Cast; thus state acting awards were secured for four of our eight cast members.

THE FRENCH CLUB

French Culture in New England? ... You bet! And the French Club was there to take it all in. From the beauty of Southern France as depicted in the award-winning French films, "Jean De Florette" and "Manon Des Sources," to the powerful magic of "Les Miserables"... From the fun-filled International Dinner at Notre Dame Academy to an experience in French dining at Le Béarn in Sturbridge ... From our impressive performance on the local and state levels of the National French exam to our June "Invasion" of Paris, Normandy, and the Loire Valley ... The members of the French Club discovered: "APPRENDRE LA FRANÇAIS, C'EST CHOUETTE ÇA!"

SPANISH TOUR

From June 15th to the 30th, twelve members of the Spanish Club accompanied by moderators Mrs. Lorraine Foley and Mr. Don Nicole, participated in an extensive tour of Spain.

The major cities on the group's itinerary included Madrid, Toledo, Cordoba, Sevilla, Torremolinos, Granada, Valencia, and Barcelona. However, this idealistic band of young "Quijotes" sought the fullest experience, adding such highlights as a tour taken on burros of the Mediterranean mountaintop town of Mijas, exploration of the prehistoric stalactitic caves of Nerja, a breathtaking funicular ride up to the celebrated monastary of Montserrat, and an unforgettable afternoon visiting the gardens, caves, and waterfalls of the Monasterio de Piedra.

Each day, these travelers sought to balance their activities between tours of cities and sights, through which they came to experience Spain's history and cultural heritage, and less formal activities, in order to enjoy the Spanish zest for life. Among the outstanding experiences for the group would be the Mosque at Cordoba, the Royal Palace and the Prado Museum in Madrid, the Giralda of Sevilla, and Granada's Alhambra and Generalife Gardens, as well as an afternoon at the bullfights in Madrid, an evening's flamenco performance in Sevilla, the beautiful beaches of Torremolinos, and a "fussball" tournament in a cafe in Granada.

The trip was in every way a great success, due to the willingness of the student participants to use their Spanish language skills to their fullest potential and to remain open-minded when faced with new and different experiences offered by their chaperones.

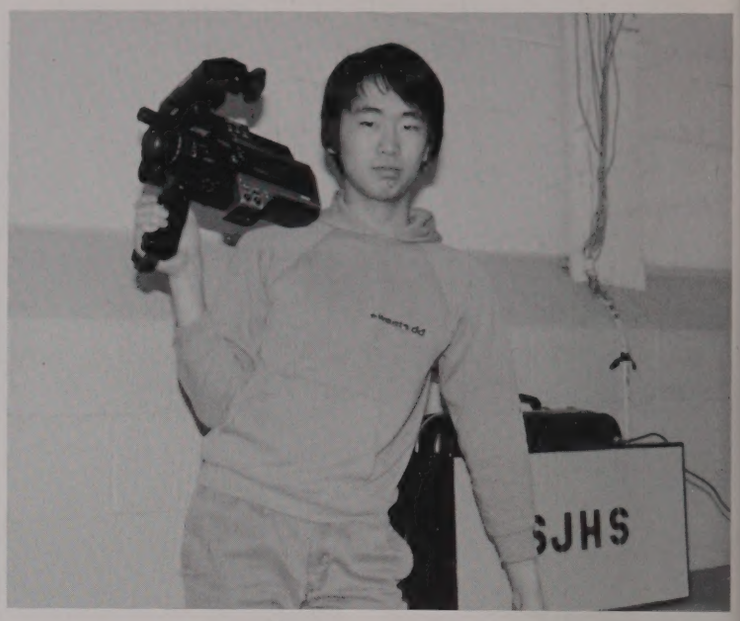
VIDEO CLUB

Throughout the year, the Video Club has played an important role at St. John's by filming all major social, academic, and athletic events. The members have learned good techniques of formatting programs, filming, and the assembly of the final tape. These skills enable the members to become proficient in all aspects of video work.

Sports tapes serve a threefold purpose: anyone who missed a game can see it on tape; coaches use the tapes to see mistakes and develop new strategies; college athletic departments can see individual performances without attending the game.

The Video Club also filmed Drama Club productions and the Spring Show. Tapes of these excellent performances can be forwarded to college admissions offices as evidence of an actor's talent.

The Video Club aims to be responsible, consistent, and professional in all its endeavors.



DEBATING RETURNS

In the State Tournament for High School Debate Programs held at Suffolk University in Boston in March, St. John's High received the award for **"Best New Debate Program"** in the State. Receiving this recognition and capturing the trophy for best negative novice debate team in the State were the highlights of a program composed entirely of first-year debaters.

Matthew Celona, '90, emerged as the outstanding debater of the year. At four tournaments in New York and New England, he won outstanding speaker awards. Michael Bergan, '91, teamed with Matthew to make the octoferial round at the UMass Amherst Invitational Tournament and combined for a 9-3 record in their last three tournaments. James Colman, '91, and Sang Kuk Nam, '90, combined for a third place affirmative showing which complemented Matthew and Michael's best negative mark and resulted in a second-place finish for a four-man team statewide, a remarkable achievement for a new program.

Seniors Dan O'Sullivan and Kevin Flynn provided a great assist in the formation of the team. Dan Akowitz, a sophomore at Holy Cross College, provided invaluable assistance to Brother Morrissey, Director of Debate, to enable the St. John's Debate Society to resume debate competition. The future is bright and promising; the tradition continues.

ENGLISH CLUB /THE ICON

The **English Club** was founded to foster interest in literature and writing, as well as to allow students to take advantage of the cultural opportunities open to them in connection with these fields. On April 15, the St. John's English Club Trip to England departed from Framingham to connect with a flight from JFK, New York, to London. Tour members visited the cities of London, Bath, Stratford, Coventry, Wells, Salisbury, Bristol, and Gloucester, on what quickly was dubbed "The Cathedral A Day Tour." One of the highlights of the tour was a look at an Oxford University College, Brasenose College, from the inside. Several of the touring Club members plan to return to Oxford in the future for their own graduate education.

The officers of the English Club sponsored a formal dinner at the St. John's Manor on Wednesday, May 4th, to honor the prize winners in the 1988 English Club Short Story Contest. The banquet provided a worthy cap to the year and a fitting send-off for senior Officers Rob Randolph and Kevin Flynn.

The ICON, the school's literary magazine, gives students the opportunity to express their creativity in five general categories: prose, poetry, graphics, photography, and foreign language. The Editorial Board and Staff judge all submissions in each category, and awards are presented in freshmen-sophomore and junior-senior categories at the joint English Club-ICON awards dinner in May. Each year, the ICON grows in size and the impressiveness of its student contributions.

THE NATIONAL HONOR SOCIETY

The Saint John's Chapter of the National Honor Society is known as the Brother Campion Chapter. Brother Campion McPartland was a Worcester native who attended the old St. John's High School located on Temple Street. Entering the Xaverian Brothers upon graduation in 1918, he became a teacher of Greek and Latin; yet, he remained a student all his life. Brother Campion served as principal of St. John's High School from 1929 to 1935. Therefore, because of his devotion to the academic life and his close association with St. John's, Brother Campion's name was a natural choice for sponsorship of our honor society.

When the National Honor Society was founded in 1921, the purpose was to create an organization that would recognize and encourage academic achievement while developing other characteristics essential to citizens in a democracy. These ideals of scholarship, character, service, and leadership remain as relevant at St. John's today as they were in 1921.

Now, almost seventy years later, the National Honor Society has established a reputation for excellence among administrators, faculty members, students, parents, and the school community. This reputation is the result of years of commitment on the part of everyone involved.

Through Honor Society service activities, members of the Brother Campion Chapter maintain and extend the qualities that won them selection. Membership is both an honor and a commitment.

At this year's annual banquet held on April 10th, the Society welcomed new sophomore and junior members. The Brother Campion Chapter also honored two members of the St. John's Family. Father Edward Niccolls, '66, was presented with the Pioneer Award, and Headmaster Brother J. Conal Owens, C.F.X., was given a special presentation to honor him and thank him for his twenty years of dedicated service to the St. John's Community. Senior English teacher Mr. Leo Hamelin received the annual Faculty Recognition Award.

Moderators of the Honor Society are Mr. Patrick Gillis and Mr. Carl Wilson.

JUNIOR ACHIEVEMENT

St. John's has engaged in a unique pilot program for the last two years in the Junior Achievement organization, conducted in Mr. Reidy's Economics class during the school day as well as in the traditional evening program. This program was made possible through the generosity of the Paul Revere Insurance Co. Ms. Irene Dunne provided the dynamic leadership and motivational skills necessary to run a fledgling corporation.

The JA program allows the individual student to explore various career opportunities through hands-on experience in managing his own company. Boxer shorts were chosen as the product most profitable to produce. The SJ Pioneer logo was silk-screened on each pair with the motto, "Go Big Red," underneath the Pioneer. Common stock certificates were sold to prospective investors. Capital was raised, raw materials were purchased, and the company engaged in the production, marketing, distributing and financing of the overall Pioneer Productions. For ever $2 invested by the stockholder, they were rewarded with earnings per share in excess of $5. In retrospect, this return on investment was far superior to the returns earned by the managers of Dow Jones.

MATH TEAM

In its eleventh season, the **Varsity Math Team won its fifth consecutive league title** in the Worcester County Math League. Leading the team was senior Robert Thayer who won top individual scoring honors and also was selected as the league's Most Valuable Mathlete. In addition, Robert finished in 10th place in the State Math Olympiad. Other leading scorers in league competition included Matthew Pagano (4th), Steven Van Tassell and Jeff Voss (5th), Andrew Olmsted (10th), Michael Kruczynski (19th), and Chris Ziegler, Michael Fitzgibbons and Richard Luce (24th). The Varsity again reigned as **WORCESTER COUNTY CHAMPIONS** in the New England Math League and competed at the State Math Meet in Attleboro on April 8th. The team completed the year with a strong 5th place finish at the New England Math Meet at Canton on May 6th.

In individual competitions, St. John's was recognized for outstanding achievements in the American High School Math Examination with four students — Robert Thayer, Michael Fitzgibbons, Chris Ziegler, and Stephen Vasquez — qualifying for the second level exam. Junior Jeff Voss, along with Robert Thayer, was a finalist in the State Math Olympiad.

On the freshmen level, St. John's came in first in its division, having won the final freshmen meet of the year. The team was led by Aaron Prisco, Michael Vassallo, Justin Lundberg, and Chris Fischer, all of whom received high scoring honors.

The coach for both the varsity and freshmen teams is Mr. Stephen Gregory.

You do the work from which we all benefit."

SKI CLUB/TEAM

The Ski Club remains one of the most active clubs in the school, encompassing all four levels, freshmen through senior, and including approximately 100 participants.

The Ski Club assumes three distinct areas of activity. The first area is the Wachusett Mountain program which includes six nights of skiing at Wachusett. The bus leaves St. John's at 3 pm and returns at 8:30. This program is very popular and attracts mostly underclassmen.

The second phase of the Ski Club is comprised of day trips to ski areas in Vermont and New Hampshire. This program has actually seen an attrition rate in recent years, perhaps due to the fact that many students travel up north on their own on a weekend. This program will continue to be offered on a regular basis as it seems to be a good way to introduce new areas to the students.

The final phase of the Ski Club is the European Ski Trip. The Club went to Davos, Switzerland, this past year and enjoyed a great ski vacation. This trip seems to appeal more to the upperclassmen as we travel for a week. The mountains of Europe, the money exchange, and the language seem to have the greatest appeal to the students. This phase of the Ski Club seems to be the most enjoyable aspect of the Ski Club.

JAZZ ENSEMBLE

The Jazz Ensemble has enjoyed its most rewarding and musically competitive year since coming under the direction of Mr. Al Vaudreuil four years ago. The band finished in the top ten in two of the three competitions it entered and gave inspired performances at their spring concert and the school's spring show. The presence of this year's seniors (Mike Fitzgibbons, Roland Russell, John Roche, Torbin Harding, Rich McCracken) will be sorely missed. We thank them for their involvement and untiring commitment.

CHESS/SCIENCE CLUBS

The '87-'88 Chess Club was composed of twenty-four students representing three of the four classes; there were no seniors. The club met Thursday afternoons from 2:30 to 4 from October through March. Students were matched according to level of play.

The '87-'88 Chess Team was made up of the top six players, as determined by a double elimination tournament, from the membership of the club. This year's team was represented by four juniors (Gabriel and Stephen Vasquez, Scott Krause, and David Horsey), one sophomore (Eric Olmsted) and one freshman (Justin Mostecki). St. John's was this year's **CHESS CLUB CHAMPIONS,** defeating such teams as Worcester Academy, Clinton High School, and Nashoba High School to gain the crown.

With no team members lost to graduation, next year promises to be, at least, as successful as this year.

The activities of the Science Club this year centered around participation in two Science Olympics, one held for the school's of the Worcester area and one held for St. John's students. The Worcester Olympics project was to create a soft cushion for an extended egg drop; the school contest involved guessing the metric weight of various objects.

RACQUETBALL CLUB

The highlights of this year's Racquetball Club, moderated by Mr. Steven Cain, included both a winter and a spring Racquetball Tournament held at the Shrewsbury Racquetball Club. Both tournaments were all-day competitions that culminated in the presentation of trophies for best singles and doubles performances. Several dozen students participated in both tournaments, and the club was grateful to the Racquet Club for the use of its courts and eating facilities.

SCALE MODELLER'S

The Scale Modeller's Club concluded another successful year of events. This year introduced the Radio-Control Model Car Race to the school community, with Model race cars whizzing around the Tennis Courts and Athletic Field parking lot, with varying degress of accuracy. Aside from some spectacular crashes, the members learned that there are a lot of subtleties to racing in other than a straight line.

The Club also introduced a new adjunct to the traditional activities of the group, with an Aviation branch formally organized with the help of freshman Brian Korp. The Aviation group hopes to make trips available to regional airports and airplanes, to explore career opportunities, and to satisfy its curiosity about private and commercial aircraft.

Under **President John Giordano, Vice-President JP Miller, Secretary Dave Willis, and Treasurer Colin Novick,** the Club made an interesting visit to Worcester Airport, held its annual Scale Modeller's Contest, visited "Open Cockpit Day" at the New England Air Museum, and travelled to Logan Airport before school closed for the year.

SJ RAILROAD CLUB

This year's Railroad Club activities centered mainly on trips and excursions sponsored by area Railroad Enthusiast Groups. In the fall, the Club traveled on the Providence & Worcester Railroad north to Gardner and south to Plainville and Versailles, CT. As the foilage was at its height, the Club traveled by rail westward from Danbury, CT, to the shores of the majestic Hudson River, and then southward to Croton, NY, where a tour of Metro-North's commuter rail facilities was given. A planned three-day excursion to Washington, DC, was cancelled because of increased rail fares. In February, club members traveled the old Boston & Albany mainline to Albany, NY, where a tour of Amtrak's Turbo Train facilities was conducted. In May, a brief trip led to Boston's South Station, which is undergoing major renovation. Commuter train watching at rush hour was the order of the day. Summer activities could include trips to either Washington or Chicago, as well as day trips to Palmer, MA and Voorheesville, NY, both prime train-watching sites on the Conrail main line.

RETREAT TEAMS AND ACTIVITIES

Twenty-three members of the senior class, reflecting the rich diversity within the SJ family, come together as the **Senior Retreat Team.** They are athletes and actors, scholars and strugglers, outgoing and shy. What they hold in common is the desire to nurture their personal growth within a community experience, an interest in developing leadership skills, and a willingness to serve.

Believing that achieving peace within ourselves and our immediate communities is the first step toward achieving world peace, the retreat team builds community upon a cornerstone of prayer and communication. As the seniors share their life experiences, they grow in appreciation of one another's giftedness and value, respect for individuality, and sensitivity to their common humanity. Through a peer ministry program, these seniors share their experiences and awarenesses with underclassmen in school-sponsored retreats held each week at the Manor House.

The **Junior Retreat Team,** thirty-six members of the junior class, assisted Mr. Siciliano this spring in giving a retreat day program to the sophomore class. The retreats took place in the Manor House on Tuesdays from March through May. Sophomores attended the eight retreats according to homeroom groupings. The juniors were divided into four teams and each junior team ran two retreat days. The theme of the Sophomore Retreat Program is Positive Self-Awareness. The junior team members gave presentations to the entire group relating to the theme and on topics such as transition from sophomore to junior year, relationships with family and friends, peer pressure, personal growth experiences and other relevant topics. The juniors also led small group discussions dealing with presented topics and group activities, including a positive reflection meditation and a closing prayer service.

The **Freshmen Retreat Team** consisted of 20 junior and 20 senior volunteers. With four from each year working on each retreat, the nine retreats were given at the Manor from January to March. The volunteers set the rooms up, served lunch, participated in the touch-tackle games at break, gave witness, led the small group discussions, and delivered a co-ordinated joint talk. Brother Alois, the director of the program, is of the opinion that the frosh accepted what he has to say in his talks as routine, the usual. "But," he adds, "the youngsters are most impressed by the fact that the older students can talk so comfortably about the Lord and what he means to them." This, he thinks, is what makes the retreats so successful.

JUNIOR CAREER NIGHT/ RUSSIAN CLUB

The annual Junior Career Night, sponsored by the St. John's Parents' Council, was held on February 4, 1988. The evening was divided into two forty-five minute career presentations with refreshments afterward in the cafeteria. Occupations represented included Accounting, Architecture, Communications, Dentistry, Law Enforcement, Law, Medicine, Photography, Psychiatry, Teaching, and Theater Arts. Several St. John's graduates, now successful in their own careers, came back to their alma mater to give the presentations. Mr. Novick of the English Department gave the sessions on the teaching profession. Most juniors considered the evening worthwhile and informative.

Mr. Carl Wilson and a handful of students made up the '87-'88 Russian Club. Besides meeting frequently during the year for Russian language and cultural studies, the club traveled to the Fogg Museum to view an exhibit from the Tretyakov Gallery in Moscow.

SENIOR VOLLEYBALL

The Senior Volleyball Intramurals held this past spring were the most successful ever. More than 200 seniors, representing twenty-four teams, met in the gym to battle for supremacy. Only two games had to be forfeited. When the final point was scored, it was "Strictly Business," captained by George Bailey, that emerged victorious. A substantial purse was shared by the winning members.

FROSH SEMI-FORMAL

It was a cold and wintry evening outside, but the Manor House was the perfect warm and intimate setting for the Freshmen Semi-Formal which was held on January 16th. Forty-one couples enjoyed a full-course buffet prepared by the ladies of the cafeteria staff, and then danced the evening away to the music provided by the Perry Conte duo of disc jockeys. A memorable evening was had by all in attendance.

JR/SR SEMI-FORMAL

Once a year the usually bland and functional cafeteria is transformed into a warm and inviting holiday wonderland. This year that transformation took place on Saturday, November 21st; the occasion was the annual Junior/Senior Semi-Formal Dance. The decorations committee, under the guidance of Mr. Jourcin and Mrs. Curran, outdid themselves in creating a Thanksgiving holiday motif. Food, music, and people combined perfectly for a memorable evening.

CIRCUS TRAIN!

On April 29th and 30th, and May 1st, the Circus Train rolled into the Pioneer Gym Big Top for a three night stand of three-ring entertainment. Ringmaster Tim Monahan, Engineer Mike Sienkiewicz, Barker Eric Pantano and Conductor Jeff Belisle took the capacity audience each night on a circus tour of the United States, finally bringing the Big Top to the Big Apple to see everyone's favorites, the Radio City Rockettes. Months of preparation and countless hours of dedicated labor preceded the arrival of The Circus Train. The student body raised $86,000 in ads. The stage crew began its arduous task in February, along with the actors, dancers, and chorus. Along with lighting crew, ushers, and Jazz Ensemble, the work of hundreds of people was not in vain. Congratulations, Brother Comeau and all connected with the show.

VAR. F'BALL

The St. John's Football Team had another victorious season. A devastating defense led by linebacker Terry Reidy and linemen Mark Monopoli and Nick Panagopoulos out-hit their opponents. Their excellent play against Doherty and St. Bernard's made this a successful season. A workman-like attitude dominated the Offense. Playing injured for the bulk of the season, Jeff Johnston handled the running attack. With outstanding blocking from the offensive line, the backs were able to outscore five of their last six opponents, including Wachusett and Shrewsbury. Captains Terry Reidy, Dave Dougherty, Mark Monopoli and Jeff Johnston and the senior members provided the leadership necessary to bounce back after a rocky start. The following players were named to the All-Star CMC team: Mark Monopoli, Terry Reidy, Jeff Johnston, Jeff Calcagni, Mike Pedone, Carter Hunt, Joe Murphy, and Vinny D'Amato. Next year's squad, provided with the excellent leadership of captain Michael Pedone and his senior team-mates, must continue to work hard to maintain Pioneer Pride.

JUNIOR VARSITY/ FROSH FOOTBALL

The '87 JV Football season was one of ups and downs. The team got off to a rough start, losing its first six games. The losses seemed to hurt more when all six games were defeats by one touchdown or less. After the losses, Coach Aaron Powell pulled the team together and made a few changes. The results: the team won its last three games and outscored its opponents 43-0.

The offense was led by quarterback Brian Dail. The bulk of the running was done by fullback Mike Foley and tailback Don Cook. The offensive line had many talented blockers; among them were Chris Schofield, Jeff Fedor, and captain Ken Fries.

The leader on defense was linebacker A.J. Reilly. A.J. led the team in tackles and unassisted tackles. Fine defensive plays were turned in by cornerback Jamie Werme and defensive end Pete Rice. Free safety Gerard Miller, who led the team with four touchdowns, also led the team with six interceptions.

The season may not have seen many wins, but Coach Powell let every player in each game. The season will prove to be a vital learning experience for the players' future.

Guided by the expertise of Coaches John Legere and Brother Regis, the Freshmen Football team dominated all opposition and concluded its undefeated season with an 8-0 record. In total points, the team outscored its opponents 203-32. Four of the eight games were shut-outs, and the remaining four teams scored a total of only five touchdowns. Brian Houle, Stan Szczurko, and Brian Hunt led the scoring column with 54, 40, and 37 points respectively. Houle ran for a total of 472 yards. Bob Taft had 9 unassisted and 45 assisted tackles. Quarterback Brian Hunt threw twenty completed passes for 362 yards. John Clifford led the team with 15 interceptions. GREAT PIONEER EFFORT!

VARSITY SOCCER

This year's edition of the St. John's Soccer Team is one we can be most proud of. It was a team that worked hard to improve its skills at practice and gave all it had during games. It scratched and clawed its way into the District only to lose a quarterfinal match to eventual district champ, Marlboro. The leadership of the tri-captains, Colin Hynes, Mike Ferguson, and Kevin Tyldesley, carried the team through the highs and lows of the 9-6-5 season. Certainly Dan Ennis, sidelined all season with back problems, proved inspirational with his dedicated and enthusiastic support for all. The other seniors, Mike Canfield, Andy Cope, Mike Garrett, Mike Hennessy, and Tim Monahan, will also be sorely missed next year. It was safe to say, though, that 1987 was the "year of the youngster." Three sophomores, Mike Roncone, Brian Boucher, and Rich Paglia, broke into the starting line-up. They, along with frequent junior starters Rich Gondek, Matt Ramsey, Jim Malone, Jacob Nunnemacher, Brian Army, Peter Rooney, and Peter Van Dyke give every reason to believe that the fine soccer tradition at SJ is in able hands and feet.

JV AND FRESHMEN SOCCER

The 1987 JV Soccer Team enjoyed a tremendous season, finishing with a 14-1-1 record. Among the outstanding achievements was the fact that the team remained a solid unbeatable unit with various individuals fluctuating between varsity and JV or JV and freshmen. This fact points to strong support for newcomers to the team and superior adaptation of other individuals to new positions.

The offense was extremely potent, scoring 54 goals throughout the sixteen games. The 3.4 average goals far ranks among the highest in recent history. Reflecting unselfish behavior, nineteen different players scored a point or more during the season.

Complementing the potent offense was a superior defensive squad. The 0.5 goals against average reflects outstanding defensive skills.

The forwards who led the team were Jason Ellis, Steve Scheffel, Steve Roncone, Tim Slavin, Matt Troy, Kevin Michelson, Mark Mullins, Rob Newton, and Tom Holden. The supporting mid-field group included Jeff Powell, Jay Clancy, Justin Morini, Scott Gregorczyk, Bill Ryan, Pat Flynn, Dean DiPilato, and Rob Walsh.

Anchoring the defensive corps were goalies Mike Gondek and Matt Cranson. The fullback unit included Mike Flaherty, Casey Nelson, Jarrod Johnston, Dan Gilligan, Craig Boucher and Mark Venditti.

The '87 Freshmen Soccer season was an exciting and satisfying one; the team finished with a 7-3-4 record against the toughest freshmen competition in central MA.

Two tough losses to Marlboro and Wachusett opened the season, but the team lost only one game for the rest of the season. The first and most thrilling win came in the third game, against Algonquin, when midfielder Mike Henry scored with 7 seconds left, for a 1-0 win. Led by the relentless offensive attack of Henry, Rob Walsh, Andy Zereski, Harry Malkasian, Tyler Cook, Mark Alizzeo, and Marc Wydom, the team went on a streak of nine straight games without a loss. The mid-field areas was controlled by halfbacks Brian Carmody, Eric Souza, Tom Greene, Brian Bouvier and Jim Colman. Matt Cranson and Frank Stevens were the goal-keepers behind a steady defense featuring Joe Javorski, Matt Simitis, Jason Venditti, Matt Salafia, Mike Hickey, Ron Millett, Mike Berg, Mark Hedstrom, and Tom Underwood. The team was coached by Mr. Jim Curran, and success was due to the skills, hard work, and hustle of many fine players.

FALL CREW

St. John's Varsity Crew enjoyed its most successful fall season in its 24 year history. In late September, the first boat (at 8, Andrew Curtis; at 7, Dave Blake; at 6, Matt Salmon; at 5, Andy Davidson; at 4, John Coakley; at 3, Jeremy Junnila; at 2, Torrance Houlihan; at 1, Richard Kennedy; cox, Hans Van Der Sande) placed 6th in the "Head of Textile" Regatta. The following weekend, the 1st boat won a second place medal at the "Head of the Connecticut," with its most impressive time for a fall regatta. Left in the dust were Holy Cross mens' eight, WPI men's eight, and forty-one other high schools and universities. The varsity second boat crossed 7th, and the JV third boat finished 11th.

St. John's brought its 3rd boat varsity and B boat novice crew to Philadelphia to row in the Frostbites; unfortunately, the event's name lived up to its reputation. Snow squalls, freezing temperatures, and high winds forced the cancellation of the Regatta. Philly was enjoyable, nonetheless!

CROSS COUNTRY CHAMPS

The '87 Cross-Country team won the District E championships for the 4th straight year. After finishing the dual meet season with a 10-2 record, the Pioneers entered the District race as underdogs. Senior co-captain Jeff Daoust led the way by capturing the individual title; Chris Berg (co-captain) finished 7th; Mike Fauerbach (10th), Matt Zaterka (12th), Bob Gooltz (13th), Tim Hunt (37th), and Pat Maunsell (42nd) rounded out the SJ runners who competed in this District Championship. The victory was particularly satisfying in that the dual meet losses to rivals Fitchburg and Marlboro were avenged. The Pioneers went on to finish 23rd in the State meet.

Senior Jeff Daoust proved himself to be one of the top runners in SJ history by winning the District individual title and by finishing 10th in the state meet. He also won the Knights of Columbus and Kiwanis races in both '86 and '87. Jeff was also the individual champ in the CMC and the Wachusett Invitational.

Other District qualifiers included juniors Tom Nydam and Chris Thompson and senior Pat Seymour.

VARSITY BASKETBALL

The 1987-88 basketball season was extremely enjoyable and provided the fans with many highlights. The team was led by tri-captains George Bailey, Kent Katter, and John Keenan; these three were an inspiration to the team through their hard work and dedication. Jeff Potter and Brian Blaney, two hustling juniors, filled out the starting five. A key to the season was the hard work at practice and the game enthusiasm of the White Team who were christened "The Viggies."

After starting off against tough competition with a 2-2 record, the team proceeded to go on a 10 game winning streak. The regular season ended with an 18 pt. win against Doherty, giving the team a record of 15-5.

In the District E Tournament, the team opened with an exciting 2 pt. win over South, and ended with a tough loss against Milford in the Semifinals at Holy Cross. The year was a rewarding experience for everyone involved.

JV/FROSH

The 1987-88 **JV Basketball** season at St. John's was an interesting one that resulted in many exciting games. The year was enjoyable for the players as every boy saw considerable action at every game. Against extremely tough competition, the team ended with a fine 12-8 record. Sophomore guards on the team were Dave O'Brien, Aaron Forgues, John Polidori, and Mike Roncone. Sophomore forwards were Mark Troy, Pat Kett and Paul Newsham. The center was Gabe Glaza. Two up-coming freshmen who contributed to the fine season were forward Sean O'Connor and center Steve Purpura.

All sixteen frosh at one time or another had a taste of the spotlight on the court for the '87-'88 **Freshmen Basketball team.** Familiar sights at every game included Frank Stevens ripping a rebound and putting it back up strongly; Tim Hay putting a body on his man and clearing the boards; Stan Szczurko hitting a short jumper off the glass and Bob Brouillard nailing his baseline set shots. You couldn't count the steals Rob Walsh and Marc Calarese had around half-court. And when Eric Souza wasn't making pretty moves to the middle, Bob Blute was picking himself up off the floor to hit a 17-footer. Phil Short posting up down low usually meant 2 pts, and we all knew Keith Cordial's shot would start to fall. Nathan Gadbois and Dan Courville were giants inside, with Nathan going hard to the ball and Dan playing the toughest defense on the team. Brian Hunt's free throws at Holy Name are a great memory, and if you want to break a pass, just give the ball to Mike Warner. Who will forget Matt Cranson's full-court dash at St. Peter-Marian? And we will still can see Anh Nguyen looking down, making sure he's just beyond the 3-pt. line. Special thanks to Br. Regis!

UNDEFEATED DISTRICT CHAMPS!

Nineteen seniors provided superior leadership for this year's undefeated District E Champions. Senior Captains Rick King, Jim Curran, Tim McNeil and Chris Berg personified a spirit of determination, hard work and example that served to inspire their teammates to achieve all that their potential promised.

Berg became only the 3rd Pioneer to score over 200 career pts. In the process he won the district championship at 1000 yds., established the school record at 1000 meters and earned All-State honors. McNeil an All-State Honoree at 300 yds., also won the district championship in his event and set a school record in the process.

Jeff Daoust was the team's leading scorer, edging Berg by ½ point. He set a school record at 1500 meters and won the district 2 mile championship. Several seniors teamed with underclassmen to break 4 school and meet relay records. They included the mile relay team of Berg, Daoust, Tom Nydam, and McNeil. The 2 mile relay team of Berg, Nydam, Pat Maunsell, and Daoust won the States Coaches Assoc. Two Mile Relay and finished 8th in the Eastern States H.S. Championship. The distance medley team of Nydam, Jim Curran, Maunsell and Daoust broke the meet and school record in the Martin Luther King Relays and the 2 mile relay of Peter Van Dyke, Dan Donovan, Tim Hunt, and Berg broke a 9 year standard in the MLK Relays.

Jim Kenary was this year's unsung hero. He led an inexperienced young group of high jumpers in the one area that would have been a weakness without him. Jim finished 4th in the district and 5th on team scoring.

Other seniors who provided balance and depth included Matt Zaterka, Craig Bramley, Tom Heinold, Pat Seymour, Kevin Dailida, Kevin Kraus, John Byon, Sky Moore, Travis Shaw and Brendan Daley. A special thanks to senior manager and statistician Rich Kruczynski.

CHAMPS!

The St. John's Hockey Team under coaches Brian Murphy and Tim Duffy completed another successful season. Using a well-balanced attack, aggressive defense and solid goal-tending, the team skated to an over-all 18-3-2 record, won the newly-formed Central Mass league title, and captured a second consecutive District E Championship.

"The seniors were the backbone of the team," stated Coach Murphy. "All the hard work and the discipline really paid off for them." The senior members Coach Murphy was referring to are Captains Andre Bouvier and Tom Cassidy, alternate captains Kevin Richard, Jeff Doherty, and goaltender Tom Murphy, along with Greg Tremba, Jason Visbeck, Kevin Lynch and Mike Wyrzykowski.

"The seniors were great," added Coach Murphy. "In their years at the varsity level, they have played against the toughest competition in the state, compiled an impressive record of 51-11-3, and won back-to-back championships. What more could you ask for?"

JUNIOR VARSITY A AND B TEAMS

The JV hockey schedule this year was the toughest one the team has ever faced. Playing the likes of Div. I powers BC High, Chelmsford, Archbishop Williams, and Arlington Catholic twice each, as well as single games against Malden Catholic and Austin Prep, the team finished with a 4-6-5 record.

SJ skated twelve frosh on this year's team and concentrated on improvement of skills and positional play. Our record showed a difficult year, but most of the players improved a great deal. Sophomores Chan Winchester, Scott Rizzo, and Steve Scheffel, along with freshmen Derek Alfama, Joe Javorski, and Rob Lock took turns as offensive stars and did the bulk of the scoring. Curt Busenburg and Josh Delman, both freshmen, were also excellent forwards who play a two-way game.

Soph Casey Nelson and freshman Chris LeBlanc led the defensive corps. Junior goalie Jim Dickman did the bulk of the goaltending and turned in several strong outings. Sophomore John Wise also played very well.

The team started strong with big wins over Arlington Catholic (8-1) and Archbishop Williams (7-3), but ran into a mid-season slump after shut-outs by St. Peter-Marian and BC High. The team regrouped and finished strong, tying both BC High (5-5) and St. Peter-Marian (2-2) in the last week of the season.

The '87-'88 JV "B" Hockey Team experienced a fine year, finishing up at 6-7-4. The impressive part about this team is the fact that they took on many teams comprised of upperclassmen. The approach to these games was the spirit that enabled them to establish themselves in a very respectable fashion.

The defensive, back-checking style of this year's squad was evident in the goals against average, which was two goals per game. The net duties were split between John Wise and Nick Connors.

Solidifying the defensive corps were Keith St. Cyr, Sean McDonald, Chris Keddy, Marc Pellegrino, Mark Venditti, Mike Montiverdi, Chris DiPasquale. The offensive units moved the puck very well as the season progressed. The "attackers" included Tim Revellese, Mike Henry, Dave DeWolfe, Andy Ober, Jeremy Cecil, Chris Woll, Seth Lemansky, Frank Froio, Brian McNeil, Matt Mercandante, Sean Cahill, Jim Stewart, and John Teitenberg.

VARSITY BASEBALL

A new era in St. John's Baseball began at 6 am on March 21st in our new batting cage in the gym. Approximately 140 candidates indicated that interest in baseball at St. John's is as strong as ever.

The Varsity Baseball record of 7-13 in this year of transition and rebuilding belies the contribution of a fine group of seniors. Led by captains Shawn Kelley and Terry Reidy, and classmates Jack Erickson, Jeff Johnston, Greg Short, and Jim Slavin, the team contended with foul weather and a tough schedule, and established for future clubs a model of perseverance and dedication. Highlights were wins over District Finalist Shrewsbury and State Finalist St. Bernard's and selection of Reidy and Erickson as Central Mass Conference All-Stars.

The legacy of the 1988 club is a foundation for future success. In addition to the cage, we saw the start of work on additional fields. A talented group of underclassmen made significant contributions; the baseball future at St. John's looks bright.

JV AND FRESHMEN BASEBALL

The '88 JV Baseball Team can certainly boast one of the finest records in many years. Its 16-2-1 mark accurately reflects the kind of hustle, teamwork, and athletic ability this team possessed. A 13-0 start made some wonder if an undefeated season was a possibility. It was not to be, however, despite the excellent pitching of Peter Rice (6-1) and Aaron Forgues (4-0); the clutch hitting of Chris Joyal (.512); and the flashy defensive play of Rob Walsh, Brian Hunt, and Dan Mara. This cast, along with solid support from Jeff Goretti, Chris Laramee, John Hughes, John Clifford, Chuck "Ready ... Begin" Fields, Tom Fleming, Scott "Ed" Boulay, Brian Dail, Perry Neddo, Rich Novitch and Dan Reagan made for a highly-talented and versatile team which kept constant offensive and defensive pressure on its opponents. Even when behind, which wasn't often, this was a team that knew someone among them was going to lead the way to victory. Certainly such talent and attitude bode well for the future of Pioneer baseball.

Spring of 1988 saw one of the most talented Freshmen Baseball teams in recent years play to a 9-7 record against tough Central MA competition. The squad of nineteen players was led by the pitching trio of lefties Matt Dennison and Keven Pietrowicz and righty Carl Dragstedt. Leaders of the defense were infielders Keith Cordial, Chris Forhan, Steve Roncone and Stan Szczurko; catcher Pat McEvilly; and outfielders Brian Reidy and Marc Calarese.

Top players were Ryan McCarthy (.429), Chris Forhan (.375), Pat Flynn (.370), Pat McEvilly (.365) and Keith Cordial (.361).

Highlights of the season were double victories over archrival Holy Name and against the tough pitching of Clinton, and a three-game sweep of Marlboro.

Frosh Coach Mr. Jim Curran said, "This was definitely the best group of players, both in ability and attitude, in my four years as coach. Together with their classmates on our strong JV team, many of these younger players will be excellent varsity players in years to come."

SPRING TRACK

The Spring Track and Field team posted a record of 7-3. Senior Captains Chris Berg, Tim McNeil, Kevin Dailida, and Jim Kenary demonstrated outstanding leadership and dedication to the program.

Seniors McNeil, Berg, and Jeff Daoust joined juniors Tom Nydam and Rich Gondek and sophomore Dan Heinold as members of the C.M.C. All-Star squad. Berg, Daoust and the one-mile relay team of McNeil, Gondek, Nydam, and Berg all broke existing SJ records. Heinold tied the sophomore pole-vaulting record and freshman Tony Endriga broke the freshmen javelin record. Chris Berg and Jeff Daoust earned All-Star honors and represented Massachusetts in the New England Interscholastic Meet.

The Freshmen-Sophomore Team convincingly captured the CMC Frosh-Soph Championship.

The Pioneer Award for Spring Track & Field went to Timothy McNeil, an outstanding four-year varsity athlete. Other members of the Class of '88 who represented SJ this spring included Ted Canty, Tom Hale, Matt Zaterka, Craig Bramley, Pat Maunsell, Travis Shaw, Tom Kane, Tom Heinold, John Volungis, Dan Donovan, Rich King, John Byon, Kevin Kraus, Sky Moore and Scott Keenan.

DISTRICT CHAMPS

St. John's won the CMC Tennis Title and the Div. I, Central Mass Championship again this year. In fact, the team has reached the District finals for the last 10 years in a row, winning the championship half of those times. This year's 21-2 record was our most impressive ever. Other than an upset by Leominster and a defeat by Lincoln-Sudbury in a state semi-finals, all our games were 5-0 or 4-1, including three victories over our archrivals Wachusett and two over Doherty.

Captain Mike Canfield led the team at #1 singles. Seniors Andy Cope and Joe Bafaro were outstanding at first doubles and reached the District Individual finals. Seth Roman at second doubles was the other senior who gave a very good account of himself. Junior John McClure was his partner. Brother Alois is most excited about freshmen Brian Cunniff and Rob Jachimczyk who were undefeated during the regular season at second and third singles. He also cites sophomores Andy Rixham, Jay Clancy, Jason Statuta, Matt Celona, and Mike Giaquinto and freshman Rob Newton as potentially strong players. "There are others behind them who could surprise us, too," Brother notes. "We have much to look forward to."

UNDEFEATED CHAMPS

The Pioneer Golf Team enjoyed another undefeated season, finishing 18-0-1. It led the Central Mass Conference with a 11-0-1 record. Guided by gutsy Co-captain Brendan Hester, the Pioneers captured the District E Division I Team Championship for the 10th time in the last 11 years. Seniors Brendan Hester and John Roche led the way with 79, followed by juniors Kevin Roche and Brian O'Connor with 87. Seniors Derrick Scenna (76) and Hester qualified for the State Individual Championship played at Glen Echo CC.

The leadership and inspired play of seniors Hester, Chris Quinn, Scenna, Roche, and Neil Harmon offer a challenge to next year's team to be all that they can be.

SPRING CREW

At the conclusion of its spring season, the 1st varsity boat had compiled an 8-6 record. Its best race time was recorded on the Connecticut River rowing against Middletown. That time was 4:25. The Novice B Boat won the Mid-Hudson Invitational Regatta. Overall, the Novice crew team won impressive victories over South Kent, Arlington, Shrewsbury, Barnstable, and Gunnery. In the final race of the season, the novices swept their race against Shrewsbury with a winning time of 5:09. On Sunday, June 20th, 4 shells of crew alumni once again plied the waters of Lake Quinsigamond at the annual Alumni Race. A special presentation was made to Athletic Director Bob Foley.

PIONEER AWARDS

The Pioneer Athletic Awards Banquet was held this year on Wednesday, May 11th, in the St. John's Gym. Athletic Director Robert Foley welcomed the student-athletes and their parents. Brother Conal offered a blessing and a buffet dinner, prepared by the ladies of the cafeteria staff, was served. Following dinner, the presentation of awards was made. One varsity athlete in each sport was the recipient of the Pioneer Award for that particular sport. The presentations were made by the individual coaches, who also commented (using both prose and poetry) as to why the winner had been selected. A series of special awards was presented, and this brought the program to a close. Best Wishes to all Past, Present, and Future Pioneer Athletes!

SENIOR SPREE DAY

On Thursday, May 5th, the 277 members of the Class of 1988 observed Senior Spree Day. After a gymnasium assembly with Brother Conal and Mr. Joe Lane of the Alumni Office, the seniors were free to participate in the planned activities of the day. Pioneer Field, the upper fields, the gym and tennis and racquetball courts were at their disposal. A steak dinner was served around the Manor House at noon; this was followed by a class picture and dismissal. The following day, the senior prom took place, and the following week, the beginning of the end began with senior final exams. Graduation would not be far off.

SENIOR PROM

The first two weeks of May were busy ones for the members of the Senior Class of '88. Spree Day occurred on May 5th; the Senior Prom followed the next evening; final exams began the next week, and graduation brought the St. John's experience to a close. The Senior Prom again took place at the Worcester Marriott. Approximately 165 couples enjoyed a fine roast beef dinner and an evening of dancing, good times, and reminiscing. A long four years was coming to a rapid close.

GILREIN AWARDS

On Sunday, June 12th, at the St. John's Manor House, Bishop Timothy Harrington presided over the presentation of the first annual Gilrein Family Scholarships. Thirty-two worthy seniors from St. John's, St. Peter-Marian, Holy Name, and St. Mary's were recipients of $1000 scholarships from the estate of the late Worcester businessman, James L. Gilrein. Eight St. John's seniors were selected to receive these awards. **Pictured below, clockwise,** are five of them: **Stan Poreda** (Regis College, Colo.); **John Giordano** (Assumption); **Jim Curran** (Catholic University); **Hans Van Der Sande** (Boston University); **Chris Taranto** (WPI). The three other recipients were **Brendan Daley** (Assumption); **Sean-Patrick Flynn** (U. of Steubenville); and **Richard Kruczynski** (Purdue). Congratulations to these deserving graduates.

S.A.C. INAUGURATION MASS

On May 12th, the Feast of the Ascension, the school community celebrated the inauguration of the new Student Activities Council Executive Committee for the 1988-89 school year. In addition, the Student Achievement Awards, the Richard Doyle Memorial Award, and the Janet Powers Memorial Award were presented before an overflow crowd of students, teachers, family and friends. Father William Kenichi was the chief celebrant for the liturgy, and he was assisted by the Assumption College Chorale. Out-going SAC officers Dave Dougherty and Mark Monopoli did the scripture readings, and retiring SAC moderator Mr. John Deedy gave the homily. Mr. Bruce Hopkins of the Performing Arts School of Worcester and Mr. Ray Bowens of the Bach and Handel Society performed the Processional and Meditation Songs. Senior Brendan Daley was the recipient of the Janet Powers Award; senior Keith Higgins received the Richard Doyle Memorial Award. A reception for all awards winners followed in the Manor House.

SENIOR LITURGY

On Sunday, May 22nd, members of the senior class and their parents and family were invited to attend a Eucharistic Celebration to spiritually mark the end of their four years at St. John's. Father Edward Niccolls, '66, recently-appointed pastor of Holy Family of Nazareth Parish in Leominster, was the celebrant for the 700 people in attendance. The ceremony and program booklet were dedicated to two members of the St. John's Family who will depart the school community in June. **Mr. Carl Wilson** of the Social Studies Dept. will take a year's sabbatical to complete his Ph.D. degree. **Mrs. Jan Edwards,** Guidance Secretary, is retiring after eight years of devoted and loyal service. Our best wishes to these two fine individuals.

GRADUATION 1988

At 7:30 p.m. on the evening of May 24th, 1988, 278 seniors processed into the Worcester Memorial Auditorium to begin their last formal school activity, their graduation ceremony. SAC President David Dougherty welcomed the graduates and their families; Most Reverened Timothy Harrington awarded the diplomas to the graduates; Brother Conal presented special awards to Christopher Tarranto, Robert Thayer, and Jonathan Budzyna; and Robert Thayer, the class valedictorian, delivered an address to the three thousand people in attendance. At 9:01 p.m., the 278 former seniors processed from the stage to begin a new and exciting stage of their lives. The entire St. John's Family extends to them every best wish for success in the future.

ACKNOWLEDGMENTS

Although this edition of the Yearbook represents the contributions of many people, we, the editors and staff, would like to acknowledge and especially thank the following:

Brother J. Conal Owens, Brother Stephen Comeau, Brother Thomas Morrissey, Brother Thomas Fahey, and Mr. Robert Moynagh for their encouragement and support,

Mr. John Deedy, Mr. Jay Coggins, and the entire Student Activities Council for their generous allocation of funds,

The Faculty and Staff of St. John's for their ideas and enthusiasm, and for their patience in distributing endless yearbook receipts,

Study Hall teachers for bearing with study hall class photos and for labeling and listing students in the photos,

The staff of the Business Office, Mrs. Jeanne Garvey and Mrs. Nancy Lane, for their unfailing courtesy and assistance,

Mr. Francis "Skip" Doyle, our professional photographer, for sharing his skills and time and for his excellent photos of significant school events,

Mr. John Carrier of Herff Jones Publishing Company for the many hours he spent sharing his ideas and correcting our errors,

The Worcester Telegram & Gazette and The Landmark for permission to reproduce some of their fine staff photos,

Club moderators and Coaches who took the time to identify team and group photos, and who wrote the copy that appears in this yearbook,

The six hundred students and faculty members who supported the '88 edition by purchasing a yearbook.

Finally, we thank the entire student body and especially the Class of 1988. Good luck in all your future endeavors. We hope that this yearbook will continue to bring back positive memories of your final year at St. John's.

The concluding pages of this yearbook are reserved for the final days of our seniors' four-year experience at St. John's — prom, graduation, college plans. Leave-takings by their nature are tinged not only with sadness and nostalgia but also with expectation and excitement about future challenges. May the memories preserved in these pages ramain with our seniors in the years of challenge ahead.
